Carrier Change Notifications Provided to Customers of  
Trinsic Communications, Inc. and Touch 1 Communications, Inc.

**An Important Notice from Trinsic Communications, Touch 1 Communications, and Matrix  
Business Technologies About Your Local and Long Distance Telephone Service**

**\*\*This Notice Requires No Action on the Part of the Consumer\*\***

Dear Valued Customer:

Trinsic Communications, Inc. and Touch 1 Communications, Inc. (collectively, "Trinsic") are pleased to announce that Matrix Telecom, Inc. ("Matrix") is purchasing their local, long distance, international, and data communications service business. The anticipated date for the transfer of these services to Matrix is June 4, 2007, or as soon thereafter as Trinsic and Matrix obtain the necessary regulatory approvals.

Upon completion of the transfer, you will continue to receive the same Trinsic features, services, rates, terms and conditions of service that you enjoy today. There will not be a service interruption and your telephone number(s) will NOT change as a result of the transfer. If you no longer want any local service please contact Trinsic to disconnect service.

Notice of any future changes in rates, terms and conditions of service will be provided to you by mail or in your bill, or otherwise as provided in your service contract, if you have one.

As always, you may choose another carrier for your telephone service at any time provided another service provider is available, and subject to the terms of your service contract, if you have one. If you do not select a new local telephone service provider on or before June 1, 2007, Matrix will automatically become your local telephone service provider. If you do not want service from Matrix, you must select a new local telephone provider as quickly as possible but no later than June 1, 2007. After selecting a new local telephone provider, you should also contact your current long distance provider to ensure that your current long distance calling plan is not changed as the result of your change in local service. If you do not contact your long distance provider, you may be charged basic rates (non-calling plan rates) for long distance calls. If you select an alternative provider after June 1, 2007, your choice can only be put into effect after the change to Matrix and will therefore be delayed. Matrix will pay any carrier change charges associated with the transfer of your account to Matrix. If you have placed a "freeze" on your Trinsic service to prevent its unauthorized transfer to another carrier, it will be lifted when your Trinsic services are transferred to Matrix. At your request, Matrix can re-establish freeze protection for you after the transfer.

Until the actual transfer date, Trinsic will continue to be responsible for all customer service and billing issues. Please be aware that you are responsible for paying all bills rendered to you by Trinsic during this transition. You may be subject to suspension or termination of your phone service in accordance with Public Service Commission rules if you fail to pay your telephone bill. You should contact Trinsic with any complaints or other customer services inquiries you may have prior to the transfer. After the transfer date, you should refer your questions and complaints to Matrix.

Should you have any questions regarding your service, you can always contact your Trinsic service representative at 877-987-4674. For questions regarding Matrix or the services it offers, please call 888-411-0111.
